

## Group Shots (About 1 Hour)

This list is intended as a guide for the most common or recommended group photographs. It would take much longer if you wanted to get every possible combination and you'd need to plan your reception timing around anything longer. As a rough guide, allow about 5-6 minutes per grouping.

*B&G = Bride and Groom, but can also be Bride and Bride or Groom and Groom etc.*

Grouping	Names	Notes
B&G + Bride's Parents		
B + Bride's Parents		
B&G + Groom's Parents		
G + Groom's Parents		
B&G + Both sets of Parents		
B&G + B&G Close Families		This can be split out, but it's quicker to combine the family shots into one.
B + Bridesmaids, Flowergirls		
G + Groomsmen, Ushers, Page Boys		
B&G + Bridesmaids and Groomsmen
